lege admission of Indian ment - have a provision for the candidate's caste. Politicians have taken full advantage of this practice to divide the people. We are Indians first and that's that. This word 'caste' must be done away with. I appeal to the educated class, especially the youth, to work to abolish this once and for all.

Keeping criminals away from polls

Apropos of "Those behind bars are debarred from contesting any election says SC", this is a landmark judgement that will prevent those convicted of crimes from misusing provisions of the Representation of People's Act by filing an appeal in a higher court. The ruling will, in one stroke, purge Parliament and the state legislatures of a large number of elected representatives with criminal cases against them.
